

Karen Beyeler

You may know me as the crazy lady who runs the July 4th poolside activities as part of the social committee. I encourage the dads to come make the biggest splash and get the teens to dive for coins and act silly. I organize piggyback races so the little kids could race with their big siblings. I am Karen Beyeler and I have been a pool member for 8 years. I have 4 children: Luke, 16, Timothy and Jonathan 14, and Isabelle 9. My husband and I are active in our church, Crosslink Community Church, and my husband also is Head Coach for the Shenrock Mountain Bike team. I was a college swimmer and love the water. My children swam for the Barracudas for three years, I coached the team for a year and then I coached at VAST Gators for 2 years. I am especially happy with our pool because it is in a beautiful location and our staff runs a family friendly, clean facility. My husband and I often remark that we feel like we are on vacation when we sit with our feet in the water and gaze at the mountains.

I joined the Board of Directors 3 years ago. I love being involved on the Social committee and co-leading the holiday events. I am also on the Governance committee and the Swim team committee. I have enjoyed working hard to make the pool even better over these last three years including seeing the pool be refinished ( no more pool toe!), and taking part in discussions on how to make the pool run more seamlessly as the board changes directors every few years. I would love to be reelected to the board and devote more time to serving the membership. Thank you for your vote!

*Family fun facts:*

*We love JESUS and our church.*

*We LOVE STAR WARS! "The child" is our favorite new character in The Mandalorian.*

*We love water: beach, lakes, rivers, pools, showers...we LOVE all water.*

*We love to READ. We own 700+ books.*
